Service and After-Sales  
(SAS) Team is at  
your side!

## KBA-Metronic GmbH

Founded in 1972, KBA-Metronic GmbH is a medium-sized company with roughly 300 employees. It has been a subsidiary of Koenig & Bauer AG since 2004.

KBA-Metronic specializes in the development, design, production and marketing of printing and coding systems.

As a holistic provider, KBA-Metronic AG is very aware of market developments and customer needs. KBA-Metronic coding systems are found in many industries worldwide.

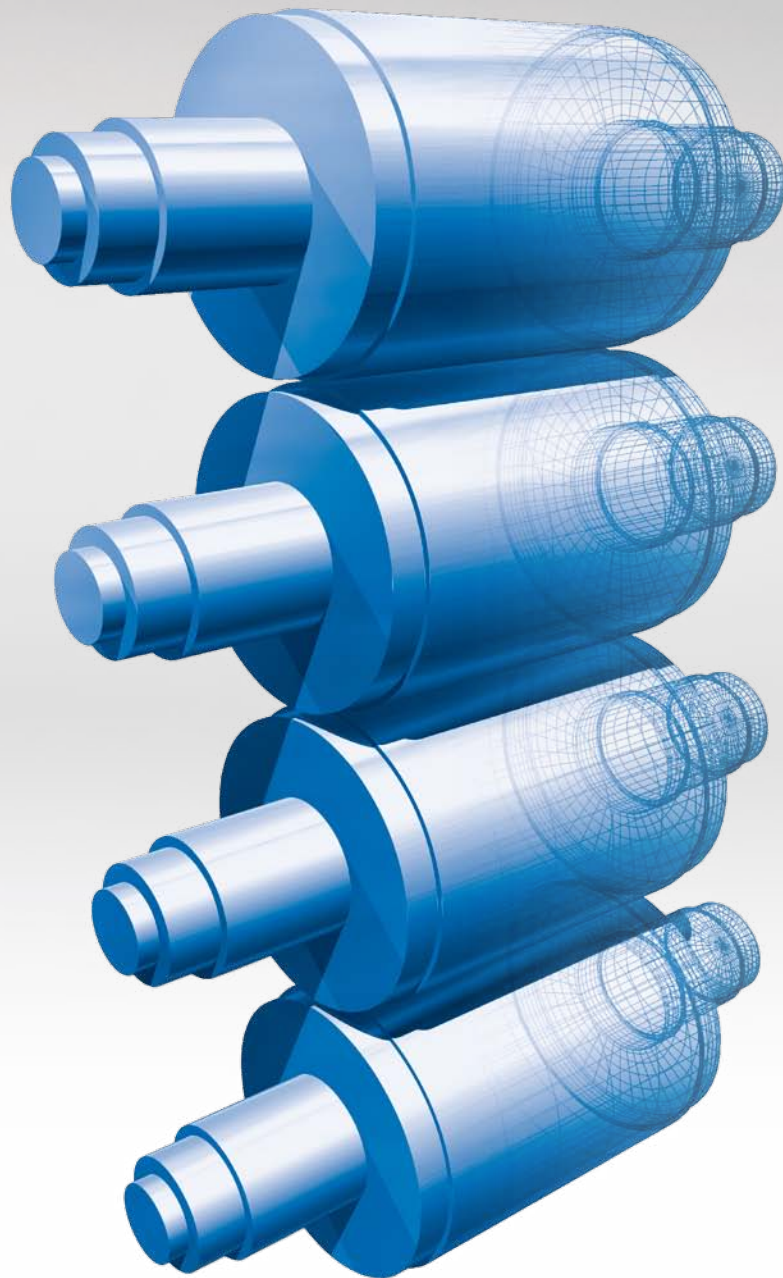

Global players in all market sectors use ink jet, laser, TIJ, hot foil and thermal transfer systems made by KBA-Metronic.

Our Marketing Division would be pleased to answer your questions:

# UPGRADE

## MODULAR & CERTIFIED

Expand your customer base by extending the applications range of your printing machine through installation of modular options and upgrades.

Our in-house R&D Department is ready to offer you individual support, because your needs are our top priority.

# SPARE PARTS

## EFFICIENT & INDIVIDUAL

Original spare parts protect your investment. They reduce unplanned downtime and avoid unnecessary repair expenses. Your printing machine delivers high operational reliability and longer service life.

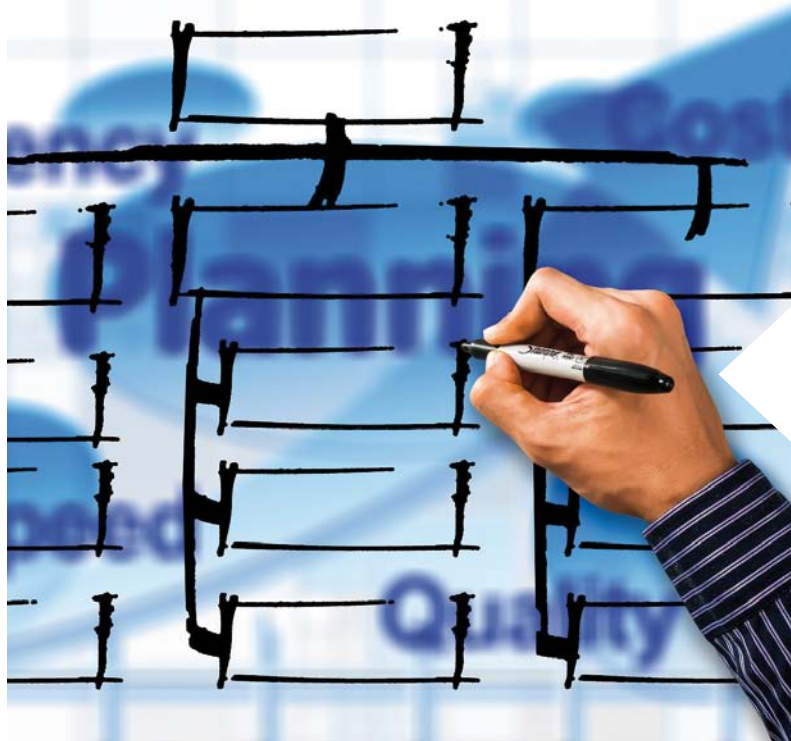

# SUPPLIES

## THRIFTY & CLEVER

Supplies from KBA-Metronic are perfect for your printer and your applications. Our basic order agreements help you minimize your inventory and costs.

## SERVICE CONTRACT

### INSPIRED & PLANABLE

Keeping production running smoothly at fixed, predictable cost is vital in most companies. A maintenance contract tailored to your specific needs is the best way to avoid problems.

## SERVICE

### PERSONAL & DEDICATED

We are totally committed to keeping your system up and running. We have a service team that is at the very cutting edge of technology. Our fast, flexible on-site service, in-house repair and free technical hotline are designed to serve your needs. You have access to professional support. Take advantage of it.

## FINANCING

### ECONOMICAL & INTELLIGENT

We offer financing plans tailored to your individual needs. Attractive pricing, expertise that only the manufacturer can offer and top-class service make KBA-Metronic your ideal partner. Take advantage of our in-depth expertise to minimize your investment costs.
